Laurie Blakeney has an Advanced Level Teaching Certificate granted to her by B.K.S. Iyengar. She began her Iyengar yoga studies in 1971, and has studied annually in Pune India at the Iyengar Institute since 1983. She has a BA in comparative religions, and a not so long ago career as a piano tuner/technician. Laurie has served our national Iyengar Yoga community by being on the IYNAUS Board, chair of the Certification Committee, Curriculum co-chair of 3 national conventions among other committee service. She brings to her class a uniquely personal and direct style of teaching, challenging students while helping them to enjoy exploring their potential. She loves to include artistic and philosophical considerations while staying true to the precision we know to be a cornerstone of the Iyengar method.
